III . Listening and reading Now we will read the text and translate it «Seasons» There are four seasons in a year — winter, spring, summer and autumn. December, January and February are winter months. The weather is very cold. Many people like winter because they can go skiing, skating, playing hockey. March, April and May are spring months. The weather is fine, it is warm. The sky is often blue. Sometimes it rains but usually the sun shines brightly. June, July and August are summer months. It is hot or warm. In summer children do not go to school. They have summer holidays. September, October and November are autumn months. The weather is cool. It is time for fruit and vegetables.
