Good morning dear teachers and students! We are very glad to see you at our competition. Today we are going to have a special day, because this week is not a simple week. This week we celebrate our national holiday - «Week of languages». How said our first president, everyone must know 3 languages: Kazakh as native, Russian as the language of communication and English as an international and world's language. The power of English is the most widely spoken language in the world. We

know that one billion people speak English all over the world. 400 million people speak English as the first language another 600 million people speak as the second language. And in many countries students learn English as a foreign language. So nowadays the students and pupils even little children are interested in learning foreign languages. Even there is a Russian proverb like «Человек знающий два языка—два человека» that's why, the main thing if you learn foreign language is your desire. And you can travel and you can get a lot information about other countries, it doesn't matter which language you prefer.

OK, we chose the cleverest student in each group. You should be active and be ready for today's our interesting contest. And want to say GOOD LUCK!

Our game is consists of 5 contests. They are:

- 1) Introducing yourself (7min)
- 2) The ABC game (10min)
- 3) The picture of famous people (10min)
