156. **Practice:** Ex.2,p.156. Read the text and choose the right answer. (true or false)

Apple Inc.

Apple Inc. is an American multinational corporation that designs and sells consumer electronics, computer software, and personal computers. It was founded on April 1, 1976 by Steve Jobs, California. The company was named Apple Computer, for its name on January 9, 2007, as its traditional focus on personal computers shifted towards consumer electronics.

The company's best-known hardware products are the Macintosh line of computers, the iPod, the iPhone and the iPad. Its software includes the iTunes media browser; and the

iLife and iWork creativity and production suites. Apple is the world's third-largest mobile phone maker after Samsung and Nokia.

Fortune magazine named Apple the most admired company in the United States in 2008, and in the world from 2008 to 2012.
